The bill allows a school corporation to establish the daily observance of a 30-second period of silence in each classroom. Explanation of Local Expenditures: *Summary:* School corporations would be required to purchase enough United States flags to be displayed in each classroom of a school. Any additional expenditure would depend on whether a school corporation currently has sufficient flags to comply with the requirement of the bill.

Background: There are currently 294 school corporations in Indiana, with approximately 2,000 public schools.

Based on a small sample of flag retailers, poly-cotton classroom-size American flags can be purchased from \$2.25 to \$6.50 each depending on order quantities. Additionally, classroom flag holders can be purchased individually from \$1.50 to \$8.00 depending on the construction quality.
